

NorCal Water Music

for chamber ensemble and optional socio-multimedia (2019)

Derek Keller

NorCal Water Music

for chamber ensemble (and optional socio-multimedia)

Instrumentation:

Flute (doubling piccolo and alto)
Clarinet
Violin
Cello
Piano
Percussion

Optional: video projection and socio-multimedia
(for audience's mobile devices)

Duration: 25-30'

This piece was commissioned by and composed for
my friends of 'citywater' in Sacramento, California (2018-19)

Program Note

NorCal Water Music dives into issues concerning one of California's most important resources - water - and celebrates the beauty, complexity, and fragility of the Sacramento River Watershed. In this piece, the performers play music derived from maps representing the watershed. In this seven-movement suite, the ensemble and myself determine an order of the movements (and their respective components). Over the course of the performance, I cue that order as a video-jockey, or 'VJ', with video-animations projected on a screen in the concert hall that feature different geographical areas spanning the entire watershed. (I also created all the visual aspects of the project).

In between these movements, there are short interludes, in combination with a projected short vignette featuring the ecological sound found at a particular waterfall or waterway within the watershed. During a performance, the ensemble, myself (or another designated video-jockey), and the audience work together to sustain a multidimensional, and sometimes fragile aqua-sonorous musical space.

NorCal is the third piece in a developing series of compositions that break the 'fourth wall' of concert music performance that I call **The Modular Music Project**, in which I integrate performers and interactivity between computers and mobile devices to create music along the deterministic–improvisational–aleatoric continuum. The movements, their components, and video animations are modular: the musicians can play the movements and their sections/parts thereof in different arrangements; the video projections can be broadcast at different times; and the audience can navigate and playback related media they retrieve from media platforms. With this piece and others in the series, I seek to create ‘living’ multimedia works through communicative flexibility between myself, the performers and the audience to address socio-political challenges of our contemporary moment.

Modular Performance Considerations

NorCal Water Music can be performed in a few ways: A suite of movements for chamber ensemble and video projection; chamber ensemble with audience participation (via their mobile devices), or both of the aforementioned simultaneously. The ensemble will need to have a dedicated ‘VJ’ or video jockey. If choosing one of the options including audience participation (and their sounding mobile devices), it may be advisable to amplify the entire ensemble depending on the size of the concert hall. The ensemble is encouraged to play the movements variable order: either of the movements entitled “Shasta” or “Pit River” shall initiate any performance; “Delta to Bay” shall always conclude the performance. The other movements can be performed in any order, including the one that was not chosen to commence (the videos that cue each movement are available upon request). In between each movement there is an interlude. During this time, the video jockey should choose at random one of five short video vignettes (available on my website here: <https://www.derekkeller.com/norcal-media>). The soundtracks of these videos feature the ecological sound found at a particular waterfall or waterway within the watershed. If the ensemble chooses to include audience participation, it is during the interludes that every member of the audience is invited to choose and playback only one of the same videos during only one of the interludes.

Titles of Movements	Titles of Interludes
“Shasta”	“Sly Park with Flute and Clarinet”
“Pit River”	“Delta and Piano”
“Valley Creeks 1”	“Horsetail Falls and Cello”
“Almanor for Oroville”	“Hidden Falls and Flute”
“Valley Creeks 2”	“McCloud River and Violin”
“American Feather”	
“Delta to Bay”	

Organization of Movements

“Shasta” or “Pit River” shall always commence
followed by an interlude

The following movements can be set in any order:

The other not chosen between “Shasta” or ”Pit River”

interlude

“Valley Creeks 1”

interlude

“Valley Creeks 2”

interlude

“Almanor to Oroville”

interlude

“American Feather”

“Delta to Bay” shall always conclude

Organization of Components of Each Movement

Each movement listed above contains multiple components and have varying degrees of modularity:

“Shasta”

- The piano part, entitled “Shasta Lake” always initiates the movement.
- After the second loud chordal figure in measure 3 of the piano part, the other instruments enter in a staggered fashion, roughly 5-10 seconds apart. Any instrument can start these staggered entrances:

- These parts are entitled:
 - “Shasta - Pit River” for flute and percussion
 - “Shasta - Squaw Creek” for violin
 - “Shasta - McCloud River” for clarinet
 - “Shasta - Sacramento River” for Cello
- In the parts listed above, double-bars should be interpreted as long *fermatas*, or 5-10 second pauses between phrases. When playing, the instrumentalists are encouraged to ‘play off of one another’, allowing for space, expressivity, and of course, different modular possibilities.
- “Shasta - Over the Dam” will always conclude the movement. The percussionist is encouraged to conduct this last passage after initiating this section.

“Pit River”

- Either/or both versions of can be performed. If both are played, either version, “Upstream” or “Downstream” can initiate the movement. Conducting responsibilities can be passed between instrumentalists when one is not playing.

“Valley Creeks 1”

- Both s, “West Legs” and “East Legs”, must be played. Either section can initiate the movement. Conducting responsibilities can be passed between instrumentalists when one is not playing.

“Almanor to Oroville”

- The “Lake” components can performed in any order, with a “Fork” section separating each. Conducting responsibilities for the “Fork” sections can be passed between instrumentalists when one is not playing.

“Valley Creeks 2”

- There are 3 parts. Part 2 must always be in the second position. Parts 1 & 2 can bookend the movement. with either in the first position. Conducting responsibilities can be passed between instrumentalists when one is not playing.

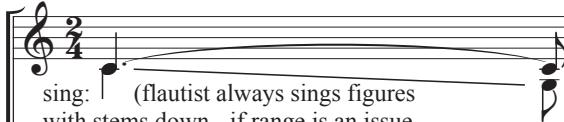

“American Feather”

- The section entitled “Sacramento River” will always conclude the movement. Either of the sections entitled “Feather River” or “American River” can initiate the movement. Conducting responsibilities can be passed between instrumentalists when one is not playing.

“Delta to the Bay”

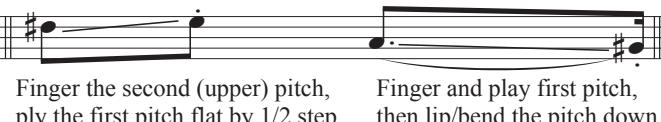

This movement consists of only one section, which is improvised. For details, see the score.

Special Notation

Flute: Flautist singing and playing:

sing: (flautist always sings figures with stems down - if range is an issue, feel free to change the octave.)

Lip gliss. or Lip bend:

Finger the second (upper) pitch, then lip/bend the pitch down over the designated duration.

tongue ram key click

 show's approximate resulting pitched sounds, which is roughly a sounding major seventh down.

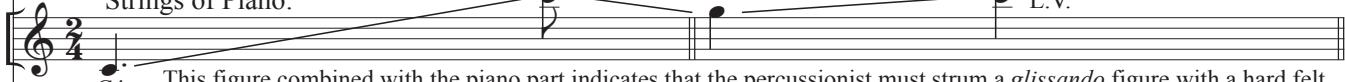

Clarinet in B♭: Lip gliss. or Lip bend:

see flautist's notes.

Lip gliss. or Lip bend:

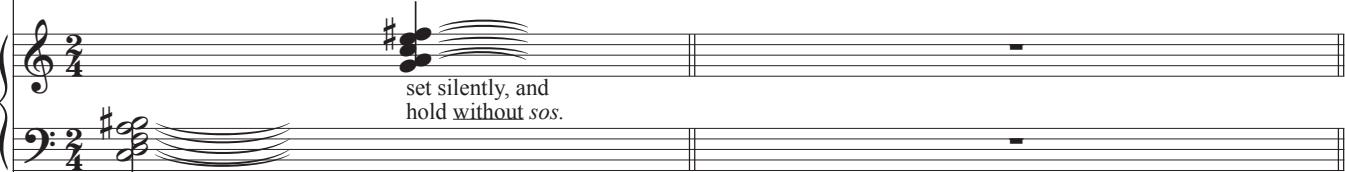

tongue slap:

Percussion: Percussionist strumming
Inside Piano: Strings of Piano:

C4 C6 G5 L.V.

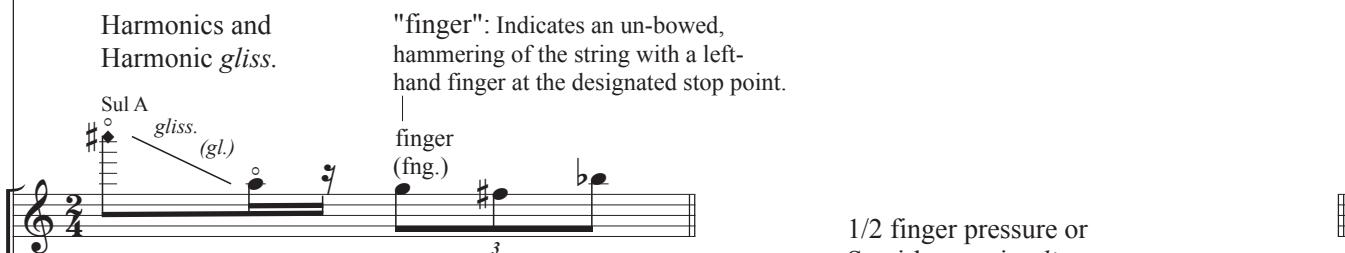

The percussionist also plays Glockenspiel and Vibraphone

C4 This figure combined with the piano part indicates that the percussionist must strum a *glissando* figure with a hard felt plectrum. There are figures that will require both hands, each with a plectrum and there are significantly longer gestures/contours than the one shown here. For these figures, the pianist will set chords silently and sustain them with the *sostenuto* pedal. For larger chords, the pianist will set one set pitches with the *sos.* ped. and set and hold another with their hands. This combined effort causes the piano to become somewhat of a giant autoharp.

Piano:

set silently, and hold without *sos.*

These figures occur in conjunction with the percussionist, when they strum the strings with a felt plectrum. It is likely that the lid will have to be removed for performance. See notes above.

Violin: Harmonics and Harmonic gliss.

Sul A gliss. (gl.) finger (fng.)

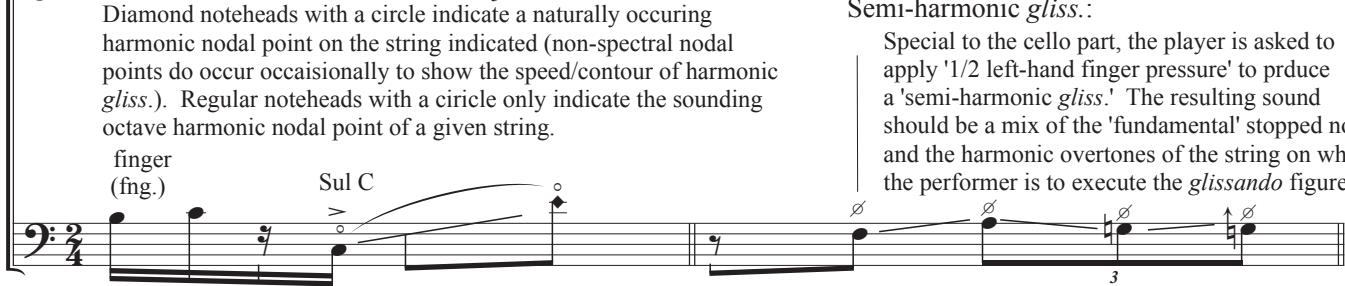

Diamond noteheads with a circle indicate a naturally occurring harmonic nodal point on the string indicated (non-spectral nodal points do occur occasionally to show the speed/contour of harmonic gliss.). Regular noteheads with a circle only indicate the sounding octave harmonic nodal point of a given string.

"finger": Indicates an un-bowed, hammering of the string with a left-hand finger at the designated stop point.

Microtonal Accidentals:
 (for strings and woodwinds)

1/4	1/4				
sharp	flat				
of a	of a				
1/4	3/4	natural	natural	3/4	1/4
flat	flat	note	note	sharp	sharp

Cello:

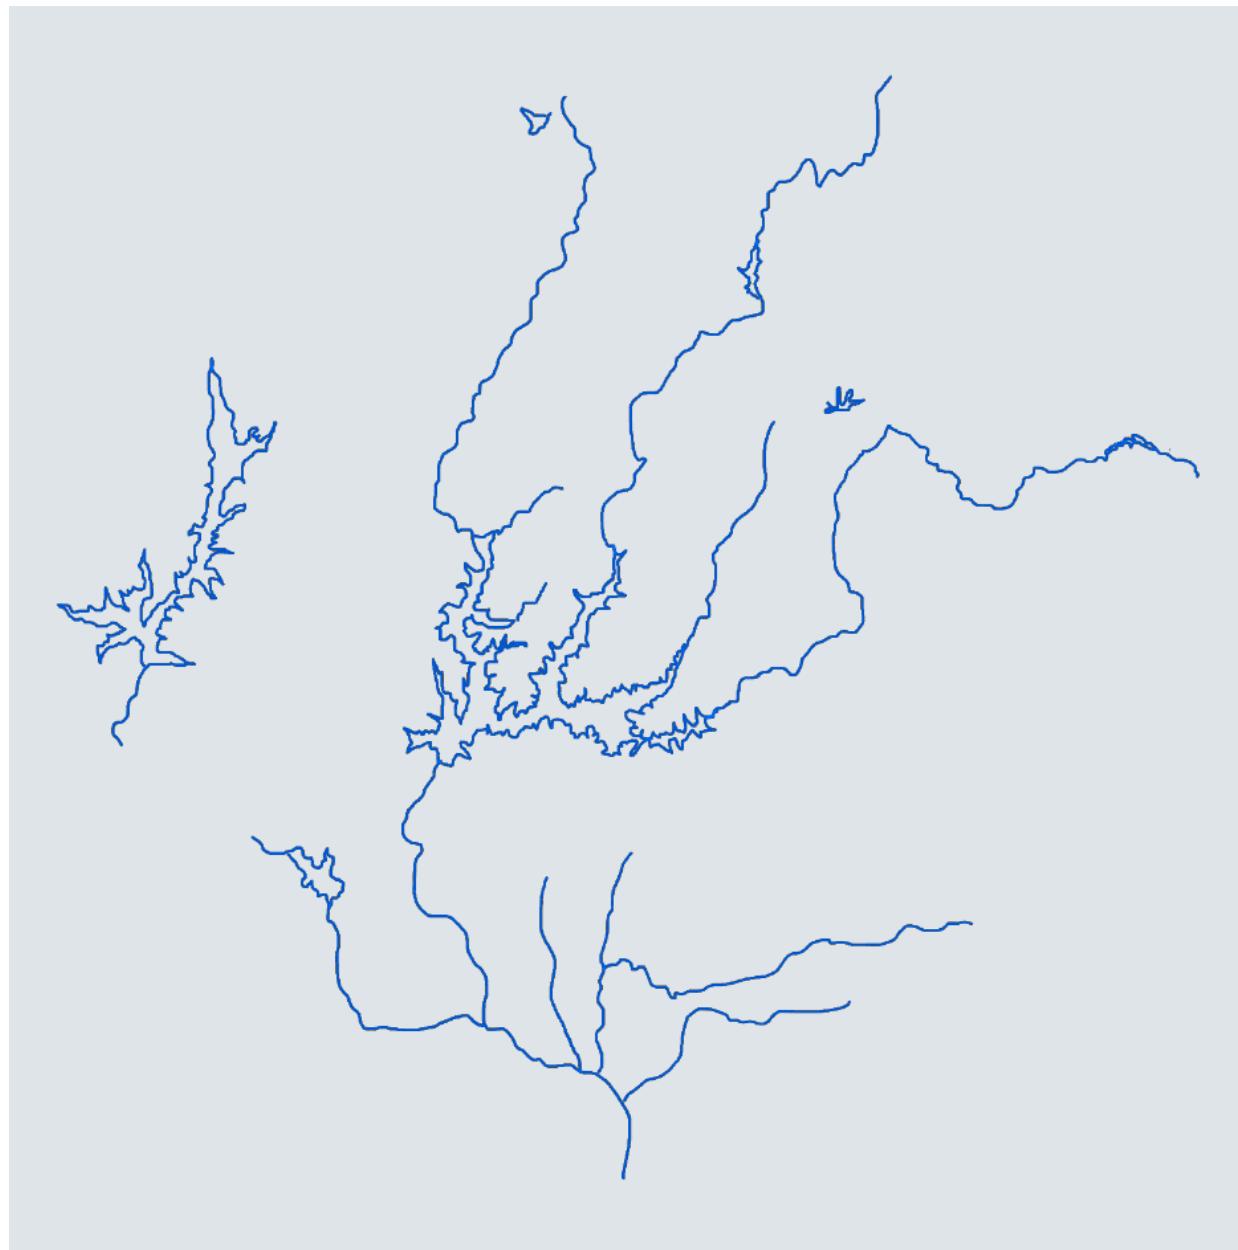

finger (fng.) Sul C

see violinist's notes above.

1/2 finger pressure or
 Semi-harmonic gliss.:

Special to the cello part, the player is asked to apply '1/2 left-hand finger pressure' to produce a 'semi-harmonic gliss.' The resulting sound should be a mix of the 'fundamental' stopped note and the harmonic overtones of the string on which the performer is to execute the *glissando* figure.

Shasta

Shasta - Lake Shasta

Andante $\text{♩} = 60$

Molto expressivo, rubato

Piano

Piano score for measures 1-16. The music is in common time (indicated by '8'). The key signature changes from B-flat major (two flats) to A major (no sharps or flats). Measure 1 starts with a piano dynamic (mf). Measures 2-3 show a crescendo with 'cresc. poco a poco'. Measures 4-5 show a melodic line with grace notes. Measures 6-7 continue the melodic line. Measures 8-9 show a return to the piano dynamic. Measures 10-11 show a melodic line with grace notes. Measures 12-13 continue the melodic line. Measures 14-15 show a return to the piano dynamic. Measure 16 ends with a forte dynamic (fff) and a piano dynamic (ff).

a tempo

Pno.

Piano score for measures 2-10. The music is in common time (indicated by '4'). The key signature changes from B-flat major (two flats) to A major (no sharps or flats). Measure 2 starts with a piano dynamic (mf). Measures 3-4 show a melodic line with grace notes. Measures 5-6 continue the melodic line. Measures 7-8 show a return to the piano dynamic. Measures 9-10 continue the melodic line. Measures 11-12 show a return to the piano dynamic.

Pno.

Piano score for measures 6-12. The music is in common time (indicated by '4'). The key signature changes from B-flat major (two flats) to A major (no sharps or flats). Measure 6 starts with a piano dynamic (mp). Measures 7-8 show a melodic line with grace notes. Measures 9-10 continue the melodic line. Measures 11-12 show a return to the piano dynamic.

Pno.

Piano score for measures 8-16. The music is in common time (indicated by '4'). The key signature changes from B-flat major (two flats) to A major (no sharps or flats). Measure 8 starts with a piano dynamic (p). Measures 9-10 show a melodic line with grace notes. Measures 11-12 continue the melodic line. Measures 13-14 show a return to the piano dynamic. Measures 15-16 continue the melodic line.

Shasta - Pit River

Molto espressivo, rubato

The musical score consists of five staves of music for Flute, Glockenspiel, and Flute. The first staff shows the Flute playing a melodic line with dynamic markings *fff*, *p*, *mf*, and *p*. The Glockenspiel (transposed) part is shown below it with a dynamic *ff* and marking L.V. The second staff shows the Flute continuing its line with dynamic *mf*, *fff*, *mp*, and *f*. The third staff shows the Flute with dynamic *mp*, *f*, and marking L.V. The fourth staff shows the Flute with dynamic *mp*, *f*, and marking L.V. The fifth staff shows the Flute with dynamic *f*. Various performance instructions are included, such as "harm. gliss. (overblow)" with grace notes, "sing portamento while playing/holding 'C'" with grace notes, and measure numbers 10, 5, 2, 3, 4, and 6.

Shasta Over the Dam

Musical score for "Shasta Over the Dam" (page 2). The score consists of six staves, each with a different instrument:

- Picc.** (Piccolo): Starts with a dynamic *p*, followed by *mf*. Measures 9-10 show eighth-note patterns. Measure 11 starts with *trb* (trill) over a wavy line, followed by *mf*.
- B♭ Cl.** (B♭ Clarinet): Measures 9-10 show eighth-note patterns. Measure 11 starts with *mf*, followed by *p* and *mf*.
- Vln.** (Violin): Measures 9-10 show eighth-note patterns. Measure 11 starts with *trb* over a wavy line, followed by *p* and *mf*.
- Vc.** (Double Bass): Measures 9-10 show eighth-note patterns. Measure 11 starts with *p*, followed by *mf*.
- Picc.** (Piccolo): Measures 12-13 show eighth-note patterns. Measure 14 starts with *trb* over a wavy line.
- B♭ Cl.** (B♭ Clarinet): Measures 12-13 show eighth-note patterns. Measure 14 starts with *p*, followed by *mf*.

The score includes measure numbers (9, 10, 11, 12, 13, 14) and dynamics (*p*, *mf*, *trb*) throughout the piece.

Shasta Over the Dam

Musical score for "Shasta Over the Dam" (page 4). The score consists of five staves:

- Fl.**: Treble clef, key signature of B-flat major (two flats). Measures 18-20. Dynamics: *f*, *mf*, *f*. Measure 21: *mf*, *f*.
- B♭ Cl.**: Treble clef, key signature of B-flat major (two flats). Measures 18-20. Dynamics: *mf*, *f*.
- Pno.**: Two staves. Treble clef for top staff, bass clef for bottom staff. Key signature changes between measures. Measures 18-20. Dynamics: *trb*, *f*.
- Vln.**: Treble clef. Measures 18-20. Dynamics: *p*, *mf*, *f*.
- Vc.**: Treble clef. Measures 18-20. Dynamics: *mf*, *f*. Measure 21: *trb*, *mf*, *f*. Measure 22: *mf*, *3:2*, *f*.

Measure numbers are indicated above the staves: 18, 19, 20, 21, 22. Measure 21 is labeled "(8^{va})". Measure 22 includes a 3:2 time signature change bracket.

The musical score consists of two systems of staves. The top system (measures 13-16) features Piccolo, Bassoon, Piano, and Violin. The Piccolo and Bassoon parts have melodic lines with various dynamics (mf, ppp, mf, senza vib.). The Piano part includes dynamic markings like *mf*, *mf*, *mf*, and *mf*. The Violin part has a rhythmic pattern with *mf* dynamics. The bottom system (measures 17-20) features Piccolo, Bassoon, Piano, and Violin. The Piccolo and Bassoon parts continue their melodic lines with dynamics *mp*, *tr♯*, and *f*. The Piano part has dynamics *tr♯*, *6*, *6*, and *f*. The Violin part concludes with a dynamic of *f* and a instruction to play *bow ad lib.*

Valley Creeks 1

East Legs

Andante $\text{♩} = 60$

Musical score for Flute (Fl.) and Violin (Vln.) in 2/4 time. The Flute part starts with a sustained note followed by eighth-note pairs. The Violin part has sustained notes with dynamics *ppp* and *mp*, and markings *senza vib.* and *vib.*. Measure 22 ends with a dynamic *5*.

A

Musical score for Flute (Fl.) in 2/4 time. The flute plays a continuous line of eighth notes with various fingerings and dynamics.

With only mouthpiece and barrel, trace the approximate tones, using a finger of one hand to bend the pitch. The possible range is between concert C5 and F#4. With the end of the barrel open, your high pitch will be concert C5; with finger closing the barrel end, the sounding pitch will be concert F#4.

Musical score for Bassoon Clarinet (B♭ Cl.) in 2/4 time. The bassoon clarinet plays sustained notes with dynamics *ppp* and *mp*, and markings *senza vib.* and *vib.*

Musical score for Glockenspiel (Glk.) in 2/4 time. The glockenspiel plays sustained notes with dynamics *f* and *p*, and markings *senza vib.* and *vib.*

Musical score for Piano (Pno.) in 2/4 time. The piano plays sustained notes with dynamics *f* and *p*, and markings *senza vib.* and *vib.*

Musical score for Violin (Vln.) in 2/4 time. The violin plays sustained notes with dynamics *ppp* and *mp*, and markings *senza vib.* and *vib.*

The musical score consists of three staves. The top staff is for the Vibraphone (Vib.), the middle for the Piano (Pno.), and the bottom for the Cello/Violin (Vc.). The score begins with a measure of eighth-note patterns on the Vibraphone and Piano. Measure 17 starts with a measure of eighth notes on the Vibraphone. The piano part has a sustained note with a '3' below it. The cello/violin part has a sustained note with a '3' below it. Measures 18-19 show the piano and vibraphone continuing their eighth-note patterns. The cello/violin part has sustained notes with '3' below them. Measure 20 begins with a sustained note on the cello/violin. Measure 21 starts with a sustained note on the cello/violin. Measure 22 begins with a sustained note on the cello/violin. Measure 23 begins with a sustained note on the cello/violin. Measure 24 begins with a sustained note on the cello/violin. Measure 25 begins with a sustained note on the cello/violin. Measure 26 begins with a sustained note on the cello/violin. Measure 27 begins with a sustained note on the cello/violin. Measure 28 begins with a sustained note on the cello/violin. Measure 29 begins with a sustained note on the cello/violin. Measure 30 begins with a sustained note on the cello/violin. Measure 31 begins with a sustained note on the cello/violin. Measure 32 begins with a sustained note on the cello/violin. Measure 33 begins with a sustained note on the cello/violin. Measure 34 begins with a sustained note on the cello/violin. Measure 35 begins with a sustained note on the cello/violin. Measure 36 begins with a sustained note on the cello/violin. Measure 37 begins with a sustained note on the cello/violin. Measure 38 begins with a sustained note on the cello/violin. Measure 39 begins with a sustained note on the cello/violin. Measure 40 begins with a sustained note on the cello/violin. The musical score consists of three staves. The top staff is for the Piano (Pno.) in treble and bass clef, with a key signature of one sharp. Measure 48 starts with a forte dynamic (f) followed by a dynamic marking of '3'. The dynamic changes to *mp*, then *f*, then *mp* again. A performance instruction 'loco' is placed above the staff. Measures 52 and 55 continue the pattern of dynamics and performance instructions like 'ff' and 'ff ff'. The middle staff is also for the Piano, featuring a similar pattern of dynamics and performance instructions. The bottom staff is for the Vibraphone (Vib.), which has two parts: 'Inside Piano' and 'Pno.'. The 'Inside Piano' part in measure 55 includes notes labeled C3, E1, C1, and A0. The 'Pno.' part continues the rhythmic and dynamic patterns established in the first two staves.

This musical score page contains six staves of music for a chamber ensemble. The instruments are Alto Flute (A. Fl.), Bassoon (B♭ Cl.), Piano (Pno.), Violin (Vln.), Cello (Vc.), and Double Bass (Insd. Pno.). The score is divided into two systems by vertical bar lines. The first system starts with the Alto Flute playing eighth-note patterns with dynamics *mp*. The Bassoon follows with eighth-note patterns and a instruction "tongue slap = \times with some *mp* tone". The Piano has rests. The Violin plays pizzicato with fingerings (3), then switches to arco. The Cello plays eighth-note patterns. The second system begins with a dynamic *p*, followed by pizzicato fingerings (3), then arco. The Violin continues with eighth-note patterns, switching between pizzicato and arco. The Cello has a dynamic *mf*. The Alto Flute has a dynamic *mp*. The Bassoon has a dynamic *mp*. The Piano has dynamics *pp* and *pppp*. The Violin has a dynamic *pppp*. The Cello has a dynamic *pppp*. Measure numbers 17, 15^{ma}, and 15^{ma} are indicated. The piano part includes dynamic markings like *mp*, *f*, and *pp*. The violin and cello parts show specific bowing and string indications like "arco" and "sul ponte".

All American Downstream

5

Musical score for "All American Downstream" featuring six staves of music.

The top section consists of three staves:

- Fl.** (Flute) starts at measure 21, playing eighth-note patterns. Measure numbers 5, 6, 10, and 10 are indicated above the staff.
- B♭ Cl.** (Bassoon Clarinet) starts at measure 3, playing eighth-note patterns. Measure numbers 6, 10, and 10 are indicated above the staff.
- Insd. Pno.** (Piano) starts at measure 3, playing eighth-note patterns. Measure numbers 3, 6, 10, and 10 are indicated above the staff.

A horizontal dashed line separates this section from the bottom section.

The bottom section consists of two staves:

- Vln.** (Violin) starts at measure 1, playing eighth-note patterns. Labels "Sul D" and "Sul A" are placed above the staff, with "3" below the "Sul A" label.
- Vc.** (Cello) starts at measure 3, playing eighth-note patterns. Labels "Sul D" and "Sul A" are placed above the staff, with "3" below the "Sul A" label.

Both violin and cello staves continue with eighth-note patterns, separated by measure lines. The violin staff ends with a fermata over the eighth note of the fourth measure, and the cello staff ends with a fermata over the eighth note of the third measure.

This page of musical notation shows a sequence of measures for various instruments. The top section features woodwind parts (Flute, Alto Flute, Bassoon) with dynamic markings from piano (p) to fortissimo (ff). The middle section includes independent piano (Ind. Pno.) and piano (Pno.) parts, with the latter having two staves. The bottom section includes violin (Vln.) and cello (Vc.) parts. Measure numbers 5, 10, 6, and 5 are placed above the staves. Performance instructions like 'vib. on' and 'Re.' are also included.

Delta to Bay

Delta to Bay

an improvisation

Performers are invited to improvise music inspired by the image found on the cover of this movement. The image depicts the point at which the Sacramento River opens to the delta, and then empties into the San Francisco Bay. Over the course of an improvisation lasting no more than 2.5 minutes, the ensemble should use the pitch/chord content of the chord progressions below. These are the same chord progressions I employed to derive the pitch/chord/gestural material for the entire work (the first progression is merely transposed up three times by a minor third). The ensemble is encouraged to improvise music similar to that I have composed for the other movements. One way of approaching an improvisation would be for the instrumentalists to merely 'follow a line'. This could yeild pitch up and down, length of tones, etc. If using projection, the instrumentalists will notice that the image accretes from many different points on the screen, which could form the basis of a visually 'guided' improvisation.

The musical score consists of two staves of chords, each with a key signature and time signature, followed by a list of Roman numerals indicating harmonic functions.

Staff 1 (Top):

- Key: E♭7/D♭, C7, F♯maj7/C♯, Em7/D, Emaj7/B, Amaj7, F♯m7, F♯m7♭5/C♯, F♯7/E, E♭7, Amaj7/E, Gm7/F, Gmaj7/D, Cmaj7, Am7/E, Am7♭5/G
- Time Signature: 8/4
